- Hinge leaf
Zinc die casting **ZD**
Powder coated
- Black, RAL 9005, textured finish ● **SW**
- Silver, RAL 9006, textured finish ● **SR**
- Pin
Stainless steel AISI 303
- Load Rating Information → Page 2121
- Stainless Steel Characteristics → Page 2166
- RoHS

Information

With their attractive design, hinges GN 138 are suitable for use in plant and machinery where a well-designed and stylish appearance is important.

The concealed and tamper-proof mounting from the rear highlights and enhances the special appearance of the hinge.

The hole spacings of the mounting holes m₁ and m₂ of the short version match typical hinges available on the market to allow use as a replacement hinge.
