|---|---|--|
| Characteristics of the standard exec          | cutions GN 331  |  |
| The tubular handles have the CE marking       | g, low voltage guideline 2014 / 35 / EU   |  |
| Emergency stop                                | 2 channel, normally closed contact  | 7 8<br>9 10  |
| 1st button with 2 LED                         | Changeover contact  | $ \begin{array}{c}                                     $ |
|   | LED, red and green  | 6+   |
| 2nd button                                    | Normally open contact   | T<br>11  |
| Contact termination,<br>Pin configuration     | Plug M12x1, 12-pole   | 1 9<br>2 10 12 7<br>3 11 7<br>4 5 6                      |
| Switching voltage / Switching current         | max. 24 V DC / max. 0,5 A   |  |
| Operating voltage (LEDs)                      | 24 V DC ±15% / 10 mA  |  |
| Protection class                              | Identification no. 1: IP 67 (in screwed condition)<br>Identification no. 2: IP 54 |  |
| Button color                                  | For each button a set of caps is included   | d, in this colors: red, green, blue                      |
| Additional variations as special applica      | ation   |  |
| Emergency stop                                | 1 channel   | 7 8  |
| Number of buttons > 2<br>Button optional with | Normally open contact   | T<br>11  |
|   | Normally closed contact   |  |
|   | Changeover contact  |  |
| Button with labelling area                    |   |  |
