## Specification

### Flange

Aluminum

- Anodized, black
- Reference arrow
- White
- Laser-engraved

### Clamp ring

Rubber

### Friction ring

Plastic, polyamide (PA)

### RoHS

Reference flanges GN 723.3 are used together with control knobs GN 723.4 which offer the following advantages:

- they have a reference mark to line up with the control knob scale,
- they offer additional support for the control shaft,
- the version with friction ring prevents an unexpected movement of the control knob by vibration.
